Take your time in comfort

Need time to think before taking
your next steps in aged care?

Hall & Prior is pleased to offer dedicated **Time to Think** beds in High Wycombe for hospital patients who need time to plan their future care needs.

These specialised **Time to Think** beds are located at Wycombe Grove in High Wycombe.

Wycombe Grove is a beautiful home, with accommodation available exclusively in single rooms. The home has areas for rest and recovery, as well as specialist activity areas.

Patients have access to a team of social workers and aged care placement specialists to assist in planning for their future care needs.

The daily cost is the government-mandated Basic Daily Fee, which is about \$64/day (June 2025).

Patients are initially offered a stay of up to 28 days, which can be extended if required.
